  - Production and production control including inspection to release products to consumers by personnel competent in safety system.
  - Inspection to release food products must have proof that the food is safe to consume or in line with product regulation.
  - Proofs relating to production process, production control, raw material and product checking and other relevant records must be actual.

The inspection must have checklist and schedule which Halal Affairs shall send to the applicant to approve before the audit. Inspection at the place of business has 6 steps. The Stage 1 Audit does not have step 5.4.6.

5.4.1 Opening meeting

	Regulations and Conditions	CODE R-CICOT-01	
		Page	11/26
		Rev. No.	4
	Audit and Halal Certification	Effective or	n 20/06/2022
1. 1. 1. 1. 1. 1. 1. 1. 1. 1. 1. 1. 1. 1			

Attending opening meeting with top management of the applicant. Objectives of the opening meeting are as follows:

- To introduce Halal Auditor Team to top management of organization.
- To review scope and objective of the audit.
- To explain pattern and method for the audit.
- To create relationship in communication between the Halal Auditor and audited party.
- To confirm readiness of resources and facilities necessary for the Halal Auditor Team and update status of the documents.
- To confirm date and time to arrange closing meeting.
- To create understanding and solve any doubt and unclear points in setting up the audit date and other relevant points.
- 5.4.2 Conducting the audit

The audit is consisted of interview, document check, and all the documents related, *report of the result of Halal Labaratory analysis*, activity observation, condition of audited place and sampling, recording items which may lead to non-conformity. The aduit may inspect items not written in the checklist. Data retrieved from interview must be backed up by other independent sources such as from observing, measuring and recording. During the audit, Halal Lead Auditor Team may change schedule as appropriate with consent of the audited person to create effectiveness and to achieve objectives of the audit.

Random sampling of products is made to detect contamination of forbidden substances as defined by the Rule of Islam in case there is any suspection in major part such as in case of Surveillance Audit for production process having major non-conformity and complaints from customers. Samples of product shall be collected, coded, identified and recorded. Name of laboratory shall be informed to test/inspect qualification to use data for consideration. The laboratory must be accepted by Halal Affairs.

In case of the Stage 2 Audit finding a number of major non-conformities showing that the audited person has not applied Halal standard of UEAS in a

sufficiently effective way and the audited person desires to terminate the audit to conduct audit of the entire system in the future, Halal Affairs can grant this desire accordingly.

# 5.4.3 Recording of findings

All the findings must be recorded and after the audit the Halal Auditor Team must meet to analyze collected data and evidences in the Stage 1 Audit and Stage 2 Audit to review and summarize the findings and define topics which are non-conformity. Report of non-conformity must be concise having concrete supporting evidences and reference to the regulations. The non-conformity shall be recorded in Halal corrective and preventive actions notice.

For the Stage 1 Audit, the Halal Auditor Team shall report findings from audit without identifying non-conformity.

5.4.4 Closing Meeting

After the audit is complete, the Halal Auditor Team shall conduct closing meeting to report the results and findings from the Stage 1 Audit or non-conformity found in the Stage 2 Audit (if any) to top management of the audited person to correctly create understanding in the results. The management shall sign to acknowledge the findings or non-conformity (if any) and make a copy of the findings from Stage 1 Audit or Halal corrective and preventive actions notice (if any).

In case of finding non-conformity, the Halal Auditor Team shall inform the applicant to prepare direction for corrective and preventive actions for the non-conformity to present to Halal Affairs within 30 days starting from the day of issuing non-conformity report for minor non-conformity. If the applicant cannot do it within 30 days starting from the day of issuing non-conformity report, Halal Affairs may give warning and/or present to the Sub-Committee to consider auditing the whole system as a case may be.

5.4.5 Making the audit report for the applicant

After the audit is complete, the Halal Lead Auditor Team /Halal Auditor shall preare audit report presenting to the Sub-Committee to consider certifying. Documents to submit to the applicant are as follows:

And the other states of the st	Regulations and Conditions	CODE R-CICOT-01	
		Page	13/26
		Rev. No.	4
	Audit and Halal Certification	Effective on	20/06/2022
and the second			

- Slaughterhouse and Eviscerated parts Certification Audit Report and/or Halal Product Production Process Certification Evaluation Form
- Stage 1 Audit Findings Report or Halal corrective and preventive actions notice (if any)
- Record of product sample collection (if any)
- 5.4.6 In case no non-conformity is found or only minor non-conformity is found, the Halal Auditor Team can summarize a report presenting to the Sub-Committee to grant certification after the Halal Auditor Team considers the corrective and preventive actions proposed by the applicant to be acceptable.

In case of finding a major non-conformity or over, the Halal Auditor Team shall not prepare a summary report to the Sub-Committee but shall do as follows:

(1) Set up schedule with the audited party for Surveillance Audit which must be within 30 days starting form the day of issuing the non-conformity report. If the period exceeds 30 days, the application for certification shall be cancelled or shall be as the Committeedetermines.

In case corrective action for the non-conformity is within 30 days but there are huge changes of management system or documents relating to the audited system and the applicant desires that the whole system is audited and such non-conformity is cancelle, Halal Affairs can take action accordingly.

(2) For Surveillance Auditof major non-conformity, the Halal Auditor Team shall audit only the non-conformity but may do random check with any relevant units. The Surveillance Auditshall be done with every item of major and minor non-conformity. If the correction is found to be ineffective, the Halal Auditor Team shall adjust the minor level to major level.

In case corrective action of the non-conformity is effective but other noncompliance with Halal standard of UAE.S or OIC/SMIIC is found, the Halal Auditor Team shall prepeare list of the found non-conformity categorizing it according to the non-conformity criteria. In case of major non-conformity, correction and Surveillance Audit shall be done within 30 days starting from

the day of issuing non-conformity report. If exceeding such period, the whole system must be re-audited. However, if the newly found non-conformity is minor, the Halal Auditor Team can prepare report presenting to the Sub-Committee to grant certification after the Halal Auditor Team has considered corrective and protective actions to be acceptable.

- 5.4.7 Consideration of contamination test result by Rule of Islam by laboratory
  - 1) Halal Auditor Team considers the result and informs the contamination test result in Halal product by laboratory to the applicant with following documents.
    - (1) Letter to inform the lab result
    - (2) Lab result report
    - (3) Non-conformity report (if any)
  - 2) If no contamination is found, the Halal Auditor Team shall prepare summary report presenting to the Sub-Committee to certify.
  - 3) If contamination of forbidden substance is found, the Halal Auditor Team shall prepare report presenting to the Sub-Committee to reject the application and inform the applicant.

## 6. Surveillance Audit

- 6.1 After the applicant passes the audit and gets certification, Halal Affairs shall regularly do the Surveillance Audit with in 1 and 2 years of certication period. Halal Affairs shall prepare Surveillance Audit plan. For every audit, Halal Affairs shall inspect internal aduit, management review, review of corrective and preventive actions for non-conformity found in the previous audit, management of complaints, effectiveness of relevant management system to achievement of goals of the certified person, progress of continuous improvement plan, continuous control, review of any changes and use/reference <u>Accreditaion Symbol</u> /Certification Logo and Certificate and Halal Certification / Certification of Halal Affairs.
- 6.2 The certified person shall retain and follow procedures of the place of business to be in line with Halal standard of UAE.S or OIC/SMIIC. Failure to do so shall result in reduction of certification scope or revoking of certification.

ะเกรามการกลางอิสลามแห่ง	Regulations and Conditions	CODE	R-CICOT-01
		Page	15/26
		Rev. No.	4
	Audit and Halal Certification	Effective or	20/06/2022

- 6.3 The Surveillance Audit shall be done at least once a year starting from the last day of the Stage 2 Audit. Every item in the Halal standard of UAE.S or OIC/SMIIC shall be covered before the audit term completes to renew the certification.
- 6.4 The Surveillance Audit activities shall include inspection at the place of business to evaluate if the certified system is in line with Halal standard of UAE.S or OIC/SMIIC. Moreover, it includes other Surveillance Audits such as
  - (1) Inquiry to the certified person about problems in certification.
  - (2) Reviewing of public relations of the certified person's statement done such as brochures.
  - (3) Requesting documents and records from the certified person.
  - (4) Other methods to monior competency of the certified person.

The Surveillance Audit which is planned at least once a year may be adjusted to be more frequent or more surveillance audit through entire system without prior notice in these following cases.

- (1) There is a reason to doubt that the competency is lowered.
- (2) After analyzing complaints or data, it is found that the certified person does not follow the Islamic law or regulations of Halal Affairs, the Central Islamic Council of Thailand,
- (3) Result of the previous audit is not sufficient in some parts.

Halal Affairs reserves the right to conduct special audit with short notice for a certified person in necessary cases as follows:

- (1) It is necessary to have investigation due to complaint about the certified person.
- (2)There is review or follow up of changes in major part of any management system certified by Halal Affairs such as change in legal and commercial status of organization or owner, management, name and location of the place of business, certified scope and major changes to the management system and process.
- (3)When getting warning from trading partner country or relevant government agency about possible problems with consumers.
- (4) In case of having a resolution from the committee, Committee for Sefeguarding Impartiality and the Sub-Committee to have additional audit.

	Regulations and Conditions	CODE	R-CICOT-01
		Page	16/26
		Rev. No.	4
	Audit and Halal Certification	Effective or	n 20/06/2022

6.5 The Surveillance Auditin the plan shall be allowed to follow procedures of the Stage 2 Audit. If non-conformity is found, the certified person shall present corrective and preventive actions for the non-conformity to Halal Affairs to consider within 15 days starting rom the day of issuing the non-conformity report. If the actions are acceptable, Halal Affairs shall present them to the Sub-Committee to acknowledge and retain the certification (in case of minor non-conformity) or make an appointment with the certified person to do Surveillance Audit for correcting the non-conformity (in case of major non-conformity). If the certified person fails to do it within 60 days starting from the day of issuing the non-conformity report, Halal Affairs may give a warning and/or present to the Sub-Committee to consider revoking the certification as a case may be. If the audited person has any necessity or emergency that is unavoidable, Halal Affairs shall consider appropriate action and/or present to the Sub-Committee to acknowledge or consider as a case may be.

For Surveillance Auditof major non-conformity, the Halal Auditor Team shall audit only the non-conformity but may do random check with any relevant units. The Surveillance Auditshall be done with every item of major and minor non-conformity. If the Surveillance Audit finds that the certified person has effectively done the corrective and preventive actions, Halal Affairs shall present to the Sub-Committee to consider and retain the certification.

If the Surveillance Audit finds that the certified person has not have effective corrective action for the non-conformity, the Halal Auditor Team shall adjust severity level from minor to major non-conformity or in case the corrective action is effective but there is non-compliance with other standards, the Halal Auditor Team shall prepare list of additional non-conformity categorizing level according to non-conformity level criteria. For major non-conformity, the corrective action and the Surveillance Audit must be done within 30 days starting form the day of issuing the major non-conformity report for the first time of such Surveillance Audit of the management system. If it is found that the corrective and preventive actions are effective, Halal Affairs shall present to the Sub-Committee to consider and retain the certification. If the sub-Committee to revoke the certification as a case may be. If the additionally found nonconformity is minor, Halal Affairs shall present to the Sub-Committee to consider and

	Regulations and Conditions	CODE R-CICOT-01	
	Regulations and conditions	Page 17/20	
	Audit and Halal Certification	Rev. No.	4
		Effective or	n 20/06/2022

retain the certification after the Halal Auditor Team considers the corrective and preventive actions proposed by the applicant to be acceptable.

# 7. Re-certification Audit

7.1 Before the validity period is complete, Halal Affairs shall conduct an audit for the entire system to re-certification for the certified person who shall submit the re-certification application not less than 6 months before expiry date of the Certificate and Halal Certification Logo.

When the certified person files re-certification application and pays fee, Halal Affairs shall make an appointment to do audit for the entire system before the expiry date of the Certificate and Halal Certification Mark Permit. Procedures of the re-certification audit shall be the same as the Stage 1 Audit except for the details in No. 4.3 of the Stage 1 Audit. There shall be competency review of the system management of the certified person during the period of certification and review of Surveillance Audit report for the previous certification period <u>and inspec to use of Accreditation Symbol/Certification Logo and Halal certificate.</u>

In case the certified person has any significant change such as change in production process, Halal Affairs may consider conducting the Stage 1 Audit by evaluating documents and/or doing initial inspection which shall be considered by Halal Affairs on a case by case basis.

Halal Affairs shall define effective date of the certification after the expiry date of the old certificate only in case that re-certification audit is made before the certificate expires and the corrective and preventive actions for non-conformity have been effectively done before the expiry of the certificate (in case major non-conformity is found) or the certified person has prepared the corrective and preventive actions for non-conformity and submit to Halal Affairs to consider that they are acceptable before the expiry of the certificate (in case minor non-conformity is found). If the certified person cannot arrange the audit to re-certify according to the above regulations, it is considered that the audit shall be like for the first time and the effective date shall be the date the Sub-committee resolves to grant the certification.

## 8. Certification

- 8.1 Halal Affairs certifies slaughterhouse, eviscerated parts and Halal product production according to Halal standard of UAE.S or OIC/SMIIC and Announcement of the Central Islamic Council of Thailand No. 1 (BE. 2559) on Regulation on Halal Certification for Slaughterhouse and Eviscerated parts of BE. 2559 and Announcement of the Central Islamic Council of Thailand No. 1 of BE. 2559 on Regulations on Certification of Halal Product Production Process of BE. 2559.

	Regulations and Conditions	CODE R-CICOT-01	
		Page 23/2	
	Audit and Halal Certification	Rev. No.	4
		Effective or	n 20/06/2022

- (7) The laboratory analysis test result found the contamination of prohibited substance by Islam law and also, this include the analysis result obtained from Department of Livestock Development.
- (8) Other actions which Halal Affairs consider to damage the certification system.

Halal Affairs shall propose to the Sub-Committee to revoke the certification and the certified person shall return the Certificate and Halal Certification Logo to Halal Affairs. The right in using the Certificate, Halal Certification Logo, Certification Logo and <u>Accreditation Symbol</u> of the certified person shall terminate immediately so they must be abstained from being used or referred on any advertisement media or published media such as leaflet, brochure and advertisement board. Halal Affairs shall announce list of the revoked person to the public.

## 13. Appeal and Complaint

- 13.1 Appeal
  - (1) If an applicant granted certification having qualification as in No. 3 or the certified person does not agree with any resolution or measurement made by the Committee for Sefeguarding Impartiality /the Sub-Committee or has any problem in such solution or measurement and desires that the Committee for Sefeguarding Impartiality /the Sub-Committee reviews, he can file appeal within 30 working days starting from the day of issuing a notice or he officially knows the notice. The appeal must be in writing and submitted to Halal Affairs. If sending by mail, the mail must be registered and the stamp date on the envelope shall be considered.
  - (2) Appeal Committee shall consider the appeal and inform the resolution within 60 working days starting from the day of receiving the appeal.
  - (3) During the period the appeal is not final, it shall be considered that the existing resolution is taking effect.
  - (4) Resolution of the committee shall be final.
- 13.2 Complaint

Complaint must be submitted in writing or by phone which can be traced or verified accuracy or source of information which is exclusive of verbal complaint without source

reference. If the topic of complaint is about certified person and quality of product, the complaint must be made in writing backed up with sufficient evidences in order that relevant officer can take further action.

## 14. Confidential

Halal Affairs shall keep data and documents given by the applicant and/or the certified person including other confidential information which Halal Affairs receives from other sources secret but shall not be responsible for any damage arsising to the applicant and/or the certified person caused by disclosure of data by another party except for action made by Halal Affairs.

In case of accreditation body with whom Halal Affairs files request for certification or is certified who will have acces to secrecy of the applicant and/or the certified person, Halal Affairs shall arrange such accreditation body to do the same as Halal Affairs to keep secret information of the applicant and/or the certified person safe.

Information Halal Affairs can reveal is data in Certified Person List, Revoked and Cancelled Person List. Disclosure of information may be done in case there is possible danger to consumers or in case of disclosed data according to Official Information Act of BE. 2540 or in case of receiving written consent from the applicant and/or the certified person or in case it is disclosure of information to relevant government agencies.

#### Annexation

In the case of the certified person is affected by an unusual circumstance or event or unable to permit the Halal Affairs Office to inspect at the establishment, the following actions will be performed.

## • Follow-up Assessment

The certified person must send a written notice about the reasons to postpone the follow-up assessment to the Halal Affairs Office. The Halal Affairs Office will make consideration and assess the risks of the continued certification in order to consider the expansion of the period of the follow-up assessment for not more than 6 months ( i.e. not

more than 18 months from the first certification in case of the first follow-up assessment and not more than 18 months from the end of the latest follow-up assessment in case of any of the subsequent follow-up assessments).

In the event that the certified person shuts down the operation due to an unusual circumstances or event that can be assessed for a period of not more than 6 months, the certified person must send a letter notifying the reasons for the need to postpone the assessment to the Halal Affairs Office. The Halal Affairs Office will make consideration and will evaluate the risks of the continued certification before expanding the follow-up assessment period until the certified person can resume its operation. After that the certified person must make notification for the Halal Affairs Office to make an immediate follow-up assessment.

At the end of the time period the Halal Affairs extends, if the certified person is unable to let Halal Affairs Office conduct the follow-up audit within the specified period of time, the Halal Affairs Office will submit the matter to the Subcommittee to make consideration in pursuance of the certification rules and conditions so as to revoke the certification further.

The Halal Affairs Office will adjust the assessment/audit program for any of the subsequent follow-up assessments as per the certification rules and conditions and will make such notification to the certified person.

## • Audit / Assessment for Certification Renewal

If the certified person is affected by an unusual situation or event that cannot permit the Halal Affairs Office to make a new assessment at the establishment, the certified person must send a notice letter about the reasons for the assessment postponement to the Halal Affairs Office. The Halal Affairs Office will take those reasons into consideration and assess the risks of the continued certification before considering the expansion of the certification period for not more than 6 months from the expiration of the certificate. (The effective period of the new certificate for 3 years will continue from that of the old one.) Upon the end of the time period expansion, if the certified person cannot yet permit the Halal Affairs Office to make the new assessment within the time specified, the Halal Affairs Office will carry out the assessment for the first certification, for which the certificate will be effective for 3 years from

	Regulations and Conditions	CODE R-CICOT-01	
		Page 26	
	Audit and Halal Certification	Rev. No.	4
		Effective or	n 20/06/2022

the certification granting date. Nonetheless, in the 1st stage of the assessment for the said 1st certification, the Halal Affairs Office will conduct the audit/assessment at the establishment or make evaluation of the documents / review of the performance of the certified person upon the case-by-case consideration basis.
